2. This category of allottees includes the claimants who have an active allotment of units in Eco Village II of the Corporate Debtor under CIRP and have received possession of the unit. However, the sub-lease deed for transfer of such units has not been executed due to pending land dues to the lessors of the land on which the project has been constructed. Therefore, such claims have been admitted at a nominal amount of INR 1 (one).
3. This category of allottees includes the claimants who have an allotment of units in Eco Village II of the Corporate Debtor under CIRP. The sub-lease deed for transfer of such units have also been executed. However, these allottees are claiming compensation or damages due to delay in hand over of possession, etc. These claims have been rejected as any compensation for delay would have been adjusted during payment of final instalment before handover of possession and issuance of no dues certificate by the Corporate Debtor.
4. The Home buyers have identified themselves as related party at the time of filing of claim. Accordingly, as per proviso to section 21(2) of the Code, these homebuyers will no longer have a right of representation, participation and voting in the meetings of the Committee of Creditors of Corporate Debtor. The IRP is in process of arranging re-confirmation from these claimants on their related party status hence, the amount claimed by them is kept under verification as of now.
